

If you are considering applying for a training contract with OGR Stock Denton, we recommend you first apply for our Vacation Scheme Programme. Participation on the programme will not only give you the opportunity to come and meet us in person, but it will enable you to get an inside look at what it would be like to train and work at OGR Stock Denton. Attending and performing well on our Vacation Scheme Programme will dramatically increase your chances of securing a training contract with us.

Vacation Scheme Programme Structure

Each summer, usually during the months of June and July, we carry out three separate week-long Vacation Scheme Programmes. Each programme is attended by 3 potential new trainee solicitors. During their week long placement, candidates spend time in one of our core departments: Family, Company Commercial, Private Client, Property and Litigation There, they will have the opportunity to experience life as a trainee solicitor, get a feel and understanding for the work the department does, and have an opportunity to interact with other departments within the firm on deals and transactions requiring the involvement of multi-disciplinary teams. The placement also allows candidates to ask questions of partners and fee earners and assess whether we really are the right firm for them. At the end of the week, candidates will have a formal interview with a partner and the Practice Manager. But, don't worry, it's not all work and no play! There will also be opportunities outside of work to interact with current trainees and the team in general to get a rounded impression of us and our values.

Applying for a Place on the Vacation Scheme

Applications for the 2020 Vacation Scheme Programme will open on 1 January 2020 and close on 31 March 2020. Participants will be taking part in this programme with a view to securing training contracts for September 2021.

Places on our Vacation Scheme Programme are very heavily sought after. As such, it is recommended that you apply for a place at your earliest opportunity. We may ask you to attend an open/assessment day in advance of offering you a place on the scheme. At the open day, we will both get the opportunity to assess whether you and OGR Stock Denton are the right fit for each other. You may then receive an invitation to attend one of our Vacation Scheme Programmes. Open days are usually held in the April or May preceding the Vacation Scheme Programme (in July and August). In order to apply for a place on our Vacation Scheme Programmes, and simultaneously apply for a Training Contract, please complete and submit the required Training Contract Application form and include your CV and a covering letter.
